Attempt Great Things For God

This year I will also attempt great things for God. I have attempted many things for myself and for people but this year I will shift my focus to God. I will be counted amongst those who did something significant in God's house.

What to do to attempt great things for God.

1. Be frugal

Do not waste money. Use money wisely.

Many people do not need more money; they need the wisdom to use what they get. You cannot serve God while in debt. Debts are a sign of a curse. Some cannot even give an offering in church because their money is always overstretched. Be financially free so that you can help yourself to serve God. Make more money and be wise with how you use it. Make more than you use.

The prodigal son was called prodigal because he was wasteful **Luke 15 vs 13**. He wasted everything he had to lavish living. Suddenly after that a great famine arose in the land. Famine is coming very soon, be frugal. You will regret the money you spent on expensive apparel and wine. Live your life. Do not be under pressure to match up. The one who has money in his account (who is liquid) has power.

We cannot build God's house with half the church in debt. Learn to make money work for you and to earn you more money, then use the profits to worship God and to pay your bills...FRUGALITY.

2. Be separated

You cannot hear God clearly in such a noisy group. Many of us have missed key moments because we take comfort in having people around us more than being alone with God.

When they start segregating you because of your faith or for anything good you want to do, do not beg them back. It is good riddance. God is removing people from you to separate you for further guidance and instruction. Learn to be alone, know when to be away from the group. If you do not separate yourself God will separate you and it will be painful. Friends are good and bad. Learn to know when to be away from them.

Jacob separated himself and he met an angel and wrestled till day break until he was blessed **Genesis 32 vs 22-31**. It is during separation that great generational blessings are released.

3. Do not rebuild what you had destroyed.

Rebuilding the high places you had conquered and the altars you had destroyed is the most retrogressive thing one can do.

If you have changed your life in a certain area, hold on to that change, resist the pressure to go back Remember, you are born of God, nothing overcomes you. If you had said I will not be drinking again, or I will not be sleeping around again, stand with that choice. You will be under pressure but resist the devil and he will flee **James 4 vs 7**.

If you rebuild broken altars, they will be stronger and more resistant to break again. Be wise, be bold, be strong.

ATTEMPT GREAT THINGS FOR GOD

How do you attempt great things for God in this season?

1. Believe the Vision.

Be convinced that this is the work of God not an idea of a man. You must be fully persuaded that indeed God is in this vision. You cannot fully commit if you do not believe in the vision.

Moses convinced Hobab to trust where they were going. He made him to understand that it was God's idea for them to go to the promised land. **Numbers 10 vs 29-32.**

If you are convinced that indeed God is in this vision it will be easy for you to convince others to follow you. You cannot ask people to follow what you are doubting yourself. See yourself as part of your vision in future.

2. Believe the Man.

Do you believe that the man you are following was sent by God?

You cannot attempt great things for God if you do not believe the one He sent to you.

God will always do things using men; HOWEVER, you also have to discern because many false teachers and prophets have gone out there destroying the flock. **1 John 4:1 (KJV)** Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.

If you are convinced that this man has been sent from God, then follow him and his teachings will help you do great things for God.

In the Bible, we find that Moses was the visionary and all Israel followed him. After his death, Joshua took over and the flock followed and he led them into the promised land. **Deuteronomy 34 vs 9.**

For you to enter your promised land, you need to follow a man, that man must have the compass of where God is taking you.

3. Believe the Gospel.

Do you believe in the Gospel of our Lord Jesus or you just come to church for fellowship? Do you believe that the Gospel is the only way by which man are saved? Do you know there is no other way of saving people outside the Gospel. **Acts 4 vs 12.**

If you believe the Gospel then you can do more. You can attempt great things this season. Do you know some died for this Gospel? They believed so much that they did not count their lives worthy. Look at Apostle Paul

Acts 21:13 (KJV) Then Paul answered, What mean ye to weep and to break mine heart? for I am ready not to be bound only, but also to die at Jerusalem for the name of the Lord Jesus.

If you believe the Gospel, then you should be ready to SPEND for it. Never hold back when it comes to the Gospel because whatever you give for the Kingdom of God will always be returned to you. In the New Testament, people sold properties for the sake of the Gospel. Hallelujah!
