FRESH FIRE REVIVAL (PART 1)

Psalms 85:6 (KJV) "Wilt thou not REVIVE us again: that thy people may rejoice in thee?"

We are in a season of revival. It is a very important season in the life of a believer. The wind of revival is already blowing right now; a new fire is being lit in the spirit of several individuals right now. The joy of serving the Lord is being ignited and people are being raised to new levels of serving.

A revival to us is like a car going for a service at the garage. They will remove the old things and put the new. They will put new oil and new plugs (where applicable), they will put new filters (oil & air) and many other details. This is like renewing the vehicle, bringing it back to its efficient best, after which the car becomes more agile, more powerful, more efficient. This is what revival will do to a believer, it will put fresh fire in you, it will jumpstart your spirit and you will start to love the things of God again. It will restore your zeal; it will remove dryness and heaviness and boredom.

Revival will touch every dying area of your life, any area that is not performing and firing well will be revitalized. The Spirit of God is going to have His way in you without any hindrances. You will start to pray better and enjoy it. You will be overwhelmed with great power from above. The fire of God will burn in you. You will be untouchable, uncursable, unreachable by any power of the enemy. You will be flying so high like an eagle. Hallelujah!!

Every service from today until December is a Revival Service. Wherever you go, expect a revival. Your family will be touched by this revival, your job, your connections. You will see people calling you expressing their love to work with you. New people are coming into the church, you will be followed by people asking about your church and about your God, new joy is coming in. The days of dryness are passing away, fruitfulness has come. I see you flowering, blossoming and fruiting in one season. Joy unspeakable has come.

Hallelujah!!

PRAYER:

Send us the revival O Lord...Fill us afresh with fresh fire O Spirit of God, renew in us the zeal for you. Send us your fire, fill us again. Bring back the joy of serving you. Restore our hope Oh God. You only is our God we have no other, arise in us, bring fresh rain upon us, pour out your Spirit in us without measure. Fill our hearts with praise and with worship. Revive us again O Lord.

FRESH FIRE REVIVAL (PART 2)

Ephesians 5:18 (KJV) "And be not drunk with wine, wherein is excess; but be filled with the Spirit;"

The idea of a revival is to get people drunk with the Holy Spirit. It is to get people have a deeper communion with the Spirit of God. There is no revival without the Holy Spirit. If you do not love the Holy Spirit then forget about any revival. The inner working of the Holy Spirit inside you is what brings revival.

Revival is like summer rain. When it comes the whole veld rejoices, grass that was dry starts to shoot again, trees that had shed off their leaves start to grow new ones, seeds that were lying dormant in the ground will sprout up and everything is new and fresh. That is what the Lord is going to do with us in this new season. Newness is coming, freshness is coming, dryness is going away. New gifts are coming and new skills are going to sprout out of individuals. Everything will be different and new. Hallelujah!!

Areas of your life that are dry, dead and unproductive will be turned into a happy veld during this revival. There will be joy in your spirit, there will be songs in your spirit. You will sing new songs by the power of the Holy Spirit. Opportunities will hunt for you; there will be financial increase. People will love working with you. At places you were getting so little, you will get more.

The Joy of this revival will do 3 things in you

1. Laughter - Many people have not laughed enough in this season.

Families have not laughed together but during this revival all tension will go, all sadness will go, all grudges will be melted and the noise of laughter shall be heard in your house.

2. Dancing.

You will never know why should be dancing and rejoicing all the way. Dancing is expression of inner joy. The choir must be ready to lead people into serious dancing. There will not be any moodiness. The way David danced when they brought in the ark of God to Jerusalem. Dance, dance, dance!

3. Singing

You will start singing new songs. You will compose new songs easily. You will wake up with a song in your spirit that will be with you the whole day. "Sing a new song unto the Lord," declares the Psalmist (**Psalms 96:1**).

Hallelujah!., Revival season is upon us.

FRESH FIRE REVIVAL (PART 3)

Matthew 3:11 (KJV) I indeed baptize you with water unto repentance. but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you with the Holy Ghost, and with fire:

As we can see in the scripture, John baptised with water which was a symbol of repentance but Jesus would come to baptise with the HOLY SPIRIT and FIRE. We need to understand the fire part of the baptism because it is very important.

When you get filled with the Holy Spirit, a fire is lit in your inner man or in your spirit. The Holy Spirit does not come alone; it comes with fire. The fire is what propels you to do mighty works in the kingdom. The fire is what burns all impurities like bad habits, sickness, addictions etc. Without the fire a believer is just religious and therefore ineffective.

However, many believers still have the Holy Spirit, they still speak in tongues but the fire is long gone, the fire has been put off long time ago. It is that fire which we want restored in you during this revival. You will feel it coming back, you will know that I am now untouchable, it will burn in you, you will not mistake it for anything, you will know it that you have fire power in you. **FRESH FIRE IS COMING YOUR WAY.**

Days of coldness will be over, days of powerlessness will be over, days of demons doing what they want with you will be over. Days of struggling with that addiction is coming to the end. Days of prayerlessness and boredom are coming to the end.

Remember, the devil and demons are only scared of this fire not you. You are like a stove. As long as you are cold cockroaches can still come and play on you and even breed and lay eggs there because cockroaches are not afraid of the stove but of fire.

Once you switch on the stove, there will pandemonium as every cockroach will be running for its life. Same as you, when you are cold everything is playing games in your life, bad habits will be growing, appetite for sin will grow, bad luck, misfortune, unnecessary delays and even fear will all start to breed in you but once you light the fire, all these will check out of you with speed.

When fire goes off in you, you start to experience dryness which leads to backsliding, you start to experience defeat and lose all the advantages of being a believer. You will be like a nice car without fuel. It does not matter how beautiful it is, it cannot just move, it is stuck. Many believers are stuck today because without this fire, you cannot get the job done, you are just a religious person who will soon be bored with church and leave. **YOU NEED THIS FRESH FIRE REVIVAL** to ignite that fire again.

The revival is here to provoke that fire again. Participate fully in this revival. Do not miss services for anything. Nothing can be more important. Amen.

PRAYER

Lord, you say in your word in **Psalms 104:4** "you make your ministers flames of fire," I pray that you light the fire of the Holy Spirit in me so that I will burn for you. I will never step out of this revival without fire. I receive fresh fire in this season in Jesus name. No more coldness, no more spiritual fatigue, I will burn.

Hallelujah!

FRESH FIRE REVIVAL (PART 4)

Isaiah 57:15 (KJV) For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with him also that is of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones.

God will revive the spirit of the humble and the heart of the contrite. Contrite people are people whose hearts are remorseful about their condition before God. A contrite heart is that heart that says "O Lord, I am willing to obey you, speak for servant listeneth".

Without a contrite heart it is impossible to open up to God's move. Contriteness and humility are two pillars of the door to personal revival. God always reaches out to the humble and contrite people. When your spirit is broken and humble, you are like a ploughed/tilled field waiting for the rain, when the rain comes, instead of it flowing away it sinks in. A proud and arrogant heart will not allow anything to sink. It hemorrhages anything that is put in it.

The psalmist said **Psalms 51:17 (KJV)** "The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise." God will never despise a broken spirit and a contrite heart. For you to benefit from the season of revival, put away the spirit of "I know better, what is new, I am fine etc." Just tune your spirit to say Lord I need more of you now and you only can revive me. There is more in you.

In a dream two days ago, I heard someone teaching me with a voice saying "Revival requires a good attitude." I woke up meditating on the Word. I asked the Holy Spirit to help me understand. I got a song in my spirit that kept ringing, "You provide the fire, I provide the sacrifice" then I understood immediately that during a revival God wants from me a humble, contrite heart on the altar as my sacrifice and He will bring the fire to burn it. Hallelujah!

God will bring the fire if only we can have a good attitude. If we remain humble in our ways and in our spirits. A proud spirit will always say "I am fine, I do not need anything, I am not the candidate." God resists such a spirit.

AMEN

FRESH FIRE REVIVAL (PART 5)

Psalms 42:1 (KJV) As the hart panteth after the water brooks, so panteth my soul after you

WHEN DO YOU NEED A REVIVAL?

1. When you feel weak, bored and uninterested with the things of God.

Most people experience this and they think it is the problem of the church. It is not in many times; it is you who needs to be revived. The work of God is mostly doing the same things over and over again such that if you are not careful, fatigue and boredom will creep in.

2. When you cannot pray anymore.

You used to love prayer but now prayer has become like a burden to you, then you need revival. Spiritual death starts when your prayer life dies. You cannot be a believer who hates prayer. It does not matter whose grace and covering you are under. If you do not pray you die.

3. When you struggle to walk out of sinful habits.

Struggling to get out of sin is a sign that you are weak in the inside. A weak spirit cannot shake off sin tendencies easily. You may acknowledge that what you are doing is bad but you feel powerless to just quit. You need revival.

4. When you start to want reason everything about God.

It does not matter how intelligent a man can be, he cannot understand the things of the spirit. Most people got deceived by their intellect. They have used reasoning where they were supposed to use faith. When your mind begins to lead you instead of your spirit then you need a revival to reverse that. Your spirit should lead you. Your mind cannot be trusted because it is prone to contamination.

To be continued.

Hallelujah!

FRESH FIRE REVIVAL (PART 6)

Acts 1:13-14 (KJV) And when they were come in, they went up into an upper room, where abode both Peter, and James, and John, and Andrew, Philip, and Thomas, Bartholomew, and Matthew, James the son of Alphaeus, and Simon Zelotes, and Judas the brother of James.

These all continued with one accord in prayer and supplication, with the women, and Mary the mother of Jesus, and with his brethren.

If we read the above scriptures well, we find that these disciples of Jesus (including his mother and brothers) have been in one place (Upper Room) for a couple of weeks praying and waiting for the Holy Spirit (revival) in one accord. This is because before revival hits a place, there must be some coming together of saints without an excuse. There must be a show of desperation.

Is it not surprising to you that Mary, the mother of Jesus and her other sons were not at home mourning her son who had been murdered about six weeks ago? She too was so desperate. She wanted this move to happen. She wanted this revival to happen.

Why would Mary and her other sons cut short their mourning to go to the upper room to wait and pray for a revival? They had revelation. To them the pain of witnessing the gory death of Jesus could not be compared with the solace that the outpouring of the Holy Spirit would bring. The desire for revival was so high. The desperation was so obvious. God had to release the Spirit.

Mary (the mother of Jesus) had to quickly understand that the outpouring of the Holy Spirit is what her son, WHO ACTUALLY IS her SAVIOUR died for. She received the revelation. You cannot participate in a revival without a revelation of what it is. You will end up killing it.

So, you have no excuse of not being at church to help steer this revival. If Jesus's family were in church with others praying day and night, what about you? Do not just come to church alone. Bring someone, sponsor someone to come as well. Do not be left out. Do not allow the devil to steal from you by giving you assignments that takes you away from others. Let us meet on our prayer platforms and pray for revival.

Revival, Revival, Revival is all we need today!

FRESH FIRE REVIVAL (PART 7)

Acts 2:1 (KJV) "And when the day of Pentecost was fully come, they were all with one accord in one place.

The disciples of Jesus were in ONE PLACE and with ONE ACCORD praying for the revival, for the outpouring of the Holy Ghost.

They had an instruction from Jesus himself to wait in Jerusalem, not to go anywhere until they were filled with the Holy Ghost. (**Acts 1:4**). Let us see the reasons why they had to stay in one place and with one accord. What was the wisdom in all this?

1. Revival requires focus.

If they were allowed to leave the place and each one to go and do their business, they would lose focus and miss the revival. Many people will miss the joy of this revival because their focus will be taken away. The devil will give them many things to chase and do so that they will miss important programmes and remain dry forever. Please do not miss church services because you will lose your focus and miss the revival. For now, give your time to chasing one thing, the heart of God.

2. Revival requires consistency

For revival to happen in you, you need to build rhythm. Rhythm is created when you do something repeatedly and consistently. The disciples were advised to stay in one place doing one thing for a month and half so that they would build the rhythm required for the revival. If you miss one of the services you disturb your rhythm and most likely miss the outpouring. There are many people who could be doing very well had they been consistent. Hallelujah!

3. To create an atmosphere.

When we pray together consistently, we build an atmosphere of power, we break resistance, we move back blockages and boundary lines. Corporate prayer is very important. You can pray alone but there is a greater spiritual advantage if you can pray with others. The bible says **Deuteronomy 32:30 (KJV)** "How should one chase a thousand, and two put ten thousand to flight, except their Rock had sold them, and the LORD had shut them up?" We chase much more together. Please just join prayer and stay in there. Grace will locate you.

Hallelujah!
