SING A NEW SONG.

Psalms 96:1(KJV) O sing unto the LORD a new song: sing unto the LORD, all the earth.

Beloved saints, come and let us sing a new song unto the Lord. For the Lord is good abundantly good and He is greatly to be praised. He remains a great God, worthy of honor, adoration, and thanksgiving in every season. The old song has come to an end. The song of sorrow, delay, fear, regret, and complaints has lost its place. The old has passed away, and the new has come.

Therefore, whatever has been troubling your heart, rise up in faith and begin to shout a new song unto the Lord. Let this be your declaration: regardless of my circumstances, I will rise and sing a new song unto the Lord. For His deliverance has come. Even when it is not yet fully visible, God is already at work, turning situations around for your good.

Lift your voice with confidence and rejoice. The Lord will never leave you nor forsake you. Those who mocked or doubted you will witness the hand of God upon your life. Their words will fall silent in the face of His goodness, for our God is great, and there is none like Him.

Let the sick rise in faith and take hold of healing. Let the oppressed cast off every chain, for the Lord has heard the groaning of the prisoner and has brought forth deliverance.

To Greater Works Ministries International and to all who believe: rejoice and give thanks. What God is doing is marvelous and beyond human understanding.

Understand this truth: the time of greatest pressure often precedes the moment of manifestation. Just as birth is accompanied by pain, so also new beginnings are often preceded by trials. These are not merely moments of suffering they are birth pains, signaling that something new and significant is being brought forth.

From this day forward, let there be no more songs of complaints, murmuring, bitterness, regret, self-blame, or fear. Instead, sing songs of praise and thanksgiving.

The Spirit of the Lord will give you new lyrics for the song concerning your life.

I feel a breakthrough right here. Multiple testimonials are here. Revival is here. It cannot be silenced.

Hallelujah.
